

Ride ANZAC

*... and in the morning you will remember them;
as you ride with the spirit of ANZAC*

Do you ride a bike or would like to give it a go
and you serve or have served in the Australian Defence Force

Then participate in a Bicycle Network event, conducted in
partnership with vetRide and with the financial support of
the Victorian Veterans Council

As a veteran all or some* of the entry cost will be covered
and you will also receive a 'Ride ANZAC' jersey*.

Our next vetRide Team group ride is the Around the Bay on
Sunday 8 October 2023, options being the Family ride,
50km, 100km, 135km (Geelong start), 200km, the classic
220km loop and 300km ride distances. (PTO*)

Look for our vetRide marquee at Albert Park, where you can
store your gear pre-event. <http://www.aroundthebay.com.au/>

Otherwise you may like to enter one of the other Bicycle
Network events (<https://bicyclenetwork.com.au/rides-and-events/>).
